## About Me

I am an enthusiastic intermediate student with a growing passion for the IT field, which I joined through a Governor Initiative program last year. Currently, I am honing my skills in web development, with hands-on experience in HTML, CSS, JavaScript, and TypeScript. Alongside my technical knowledge, I am also a skilled video editor, combining creativity with technology. I am committed to expanding my expertise and am always eager to learn new tools and techniques to further my career in IT.
